Reading

We want the children to love reading! It is important to read to your child and for your child to read to you.

It is expected that your child reads to you at least four times a week. Please ensure you record all reads in their reading record. We see the best progress in those children who read regularly at home with an adult.

The reading treat will take place on **Wednesday 1st April 2020.** In order to attend the reading treat, children will need to read at least **24** times. If children read **34** times at home, they will be rewarded with a new book to take home.

Monday Book Club Success

After a successful start to our Monday book club, I am pleased to say the book club is here to stay. Thank you to the children for taking great responsibility when borrowing a book and for their wonderful book reviews you have been discussing on a Monday. For Term 4 we will continue allowing the children to select a book to borrow for the weekend on a Friday and returning on a Monday. It would be lovely to see some written book reviews we can share during our book club. These can be written with the help of a grown up or the child independently. Please find book review templates for the term, attached to this newsletter. I look forward to reading all the amazing book reviews very soon.

Homework

It has been lovely to see the creative and unique homework some of you have completed at home this term and how proud you have been to share your work with others. Please can homework books, with the completed homework, be returned on a Friday so we can share your wonderful creations. The expectation is that one activity is selected from the grid to complete each week.

By now your child should know the following sounds…
