Learning behaviour: Resilience

Please find below lots of ideas to help you keep the children entertained and learning in a fun way over the Easter holidays. Please stay home and stay safe.

We are Environmentalists

Forestry England have 10 ideas for you to try, here are two:

EYFS/KS1—Join Zog in his flying school [Zogs School](#)

KS2—Virtual Reality tours of our forests

[Virtual Reality Expeditions](#)

We are Readers

Oxford Owl provide free eBooks for 3-11 year olds at [Find a Book](#)

All books are tablet friendly and all you need to do is register online (use the above link). Once your child has finished a book, why not get them to write a short review!

We are Scientists

From EYFS to Y6 and every class in between. Find all things space with the NASA website for children [NASA](#)

From science games to videos, craft projects and learning all about space. There is something for any child interested in all things "Out of this World". Join in adults, there is plenty of things for you too!

Easter Egg Hunts

You may not be able to get out and about, but you can create a treasure hunt in your back garden or around the house. Create a list of items that the children need to find, with possibly a chocolate treat as the prize

Eggs-ercise Hunt

Make exercise fun by giving kids fun tasks like touching their toes, hopping like a bunny or doing ten jumping jacks—as long as they're moving!

Easter Egg HUNT CHECKLIST

Egg Hunt Bunny Markers

Cut bunny, egg, and carrot shapes out of card. Get the kids to decorate the shapes. Glue/tape to wooden sticks and scatter throughout the garden to guide everyone to their hidden treats

What's in the bag?

A great guessing game that you can make entirely age appropriate. Put a few things in a paper bag from around the house - like paperclips, a coin, a lime, a toy car, a dog biscuit etc. Let your child reach into the bag and choose an object. Encourage them to feel it, roll it in their hands and imagine what it might be. Ask them to guess before pulling it out.

Easter Pancakes

50g self-raising flour
 50g flour
 2 small eggs separated
 150ml skimmed milk
 oil, for frying
 a few raisins for bunny paws, to serve (optional)
 30g banana, sliced into rounds for the tails
 extra chopped fruit, to serve

PREP: 15 MINS

COOK: 30 MINS

EASY

SERVES 4-6

Method

1. Put both the flours into a large bowl and whisk. Add the egg yolks and a little of the milk, whisking to a thick paste. Add the remaining milk, a splash at a time, to loosen the batter.
2. In a separate bowl (with a clean whisk) whisk the egg whites until they hold stiff peaks. Gently fold the egg whites into the batter with a spatula, trying to keep in as much air as possible.
3. Heat a large non-stick pan over a medium heat and carefully wipe it with some oiled kitchen paper. Add a large dollop of batter to the pan in a round, for the bunny body. Add a smaller round for the head, two small ovals for feet, and two long thin strips for ears. You may want to do this in stages.
4. Flip the pancakes after a minute or two, once the edges are set, the base is golden brown and bubbles start to pop on the surface. Cook for another min until golden brown.
5. Put the bunny body in the middle of the plate, position the head, ears and feet just overlapping to look like the back of a bunny. Add a banana slice for the tail, and raisins (if using) for the feet pads
