Call 0117 3532902 to book your tour, or look out for the new video which was being shot at the school on Thursday with the children. This will provide a virtual tour for any families interested in the school but unable to visit us this year. Our existing parents may also like to take a look too! ## Children Road Safety

Please can we remind you to **NOT** park on the yellow zig zag lines outside of the school entrance. This is to ensure that children can safely cross the road and are visible when walking and enables a clear view for drivers. Please try to park a little further away from the school and walk your children the last few meters to the school gate. We have witnessed and been made aware of a number of instances towards the end of this term where there have been some near misses involving children. Your help with this matter would be so appreciated.

## Pupil Voice

Last week all our Pupil Voice groups met (socially distant) for the first time. The Pupil Voice groups are designed to ensure that our pupils views and opinions can be heard and that they can actively affect decisions that are made within the academy. These groups can help to build children's confidence in public speaking and gives our children the knowledge that they can influence change. For those children who are not quite as confident, Dr Saunders is always present at lunch times for the children to speak with, or we have a box where messages can be hand written and posted.

Our groups include;

- School Council
- Ambassadors
- H&S Pupil group
- Eco Warriors
- E-Safety
- Learning Champions
- Equalities, Diversity and Inclusion (EDI)
- Community
