Value of the term: Forgiveness

Learning behaviour: Curiosity

We've had an amazing Term 6 with lots of learning outside the classroom, utilising our forest school area and the amazing grounds we are so lucky to have. We held an outstanding Dance Week, a marvellous Music Day, a fabulous festival event complete with our own parade and hot air balloon. We hope you are all now looking forward to a summer of fun. We wish you a happy summer holiday and look forward to seeing you all on 5.9.22

Learning Outside the Classroom

Our inaugural event One School, Many Worlds took place on Thursday 7 July. You joined us to celebrate our cultural identities, by wearing cultural dress, by bringing yummy food and by watching our children parade with our national flags, whilst dancing and playing music. The children learnt about each others countries and what makes each one of us special. It was a wonderful day for everyone and a day that will become an ongoing feature each year.

WOW! Year 6 SATS results are Outstanding.

Reading 89%

Writing 89%

Maths 89%

SPAG 85%

Combined 81%

The National Average Combined is 59%

Well done to our Year 6 children on your 7 years of hard work and dedication at FVA. Look what you did!

We also need to recognise our fantastic teaching team for their exceptional work too.

Believe you can and you will (and work really hard too).

An amazing week was had by all our Year 6 children who attended the PGL Residential Camp at Liddington. With plenty of adrenalin fuelled activities there were plenty of screams (and that was just the teaching staff). Lots of memories were created, fears overcome, teamwork skills gained and independence learnt. It was a brilliant week.

The 19th saw the official graduation ceremony for Year 6 as they end their time at Frome Vale Academy. We wish them all the very best of luck for their onward journey.

As Mrs Dawson would say "smash it!"

We will all miss you.

FVA have created a food bank drop off where food or toiletry donations can be placed. It is located in the main foyer of the school. All donations will be distributed by the Trussell Trust.

Their new home will be open seven days a week and provide endless possibilities for health, happiness and support and will create cherished family memories such as a 3-year-old laughing for the first time, a 6-year-old taking his first steps, siblings playing together, and parents making friendships with others who understand the disability world.

Summer Reading Challenge

Bristol Libraries will be running the Summer Reading Challenge again this year with children being able to sign up online for the digital version and in person at libraries. This year the theme is science and the Challenge is called Gadgeteers.

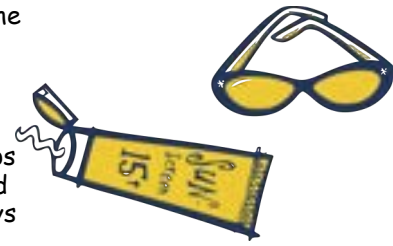

Click **HERE** for this **FREE** event.

For all your plans for you and the children, please find a holiday planner to help plan for the perfect summer. Print out your own copy and let the children help fill it out. Below are some low cost or free ideas to get you started. Click planner to download.

Whether you're heading to the beach, playing in the park or out in your own backyard, it's really important to think about sun protection for little ones. Click **HERE** for tips on sun safety for kids and make sure everyone enjoys the sunshine safely when you're out and about.

Families can now find free and paid for school holiday activities via the new Your Holiday Hub (YHH) website—Click the logo.

The YHH programme offers children and young people hundreds of free, fun activities across Bristol over the six-week summer holiday. The new website means families can now search for school holiday activities - including free YHH places for children on free school meals (FSM) as well as paid for activities and clubs.

YHH activities include cookery classes, sports, drama and learning about wildlife and the environment, and each four-hour holiday activity also includes a nutritious meal and food education

What Parents Need to Know!

Each newsletter we will provide a helpful fact page on an online game or issue. We know children will want to play online games with their friends and this can be a great way for children to have fun. However as you will be aware with every benefit there is also a disadvantage. Being aware of what these can be will help to keep your child safe.

CHECK IN WITH YOUR FRIENDS

If one of your friends doesn't seem OK, checking in on them can make a huge difference. One in every five children struggles with their mental health, so let's make sure we support each other through any difficult times.

Pupil Term 6 Newsletter

[06/06 - 21/07]

- All about Dance Week
- Spectacular Sports Day
- The Making of One School, Many Worlds
- Year6 Hit Camp

[All about Dance Week]

20/06 - 01/07

We caught up with Mrs Hall, the person behind Dance Week, she gave us the reasons and struggles behind getting Dance Week running.

She thought our school didn't have enough dance going on, so she decided to take the lead and organise a whole school activity for our enjoyment.

She chose local dance groups that offer a wide range of dance style from ballet to street to even regional styles like Columbian and made sure that people who wanted to dance or just come to school to dance were offered an 'no barrier' experience, it means they didn't have to pay or do anything and just participate. She wanted this experience to inspire people of all ages, even the adults to find a hobby in dance and for them to discover their love of dance even if they weren't good at dance. Mrs Hall wanted to give dance an importance to our school.

We also got together with a Year 5 Pupil who has interesting thoughts on this fun experience. "I liked the choice of modern music, and how the dancers would often check

back on us and see if we got the dance or not, they would also talk me through it the dance. I didn't quite like the dancing to the music I also didn't like how sometimes the dancer would change the choregraph."

*We'd like you to share your thoughts about dance week please tell your teacher or directly speak to Mrs Hall and give feedback or you could speak to the newsletter team during your free time. If you would like to consider joining a dance group, you can ask Mrs Hall about information for the group.

[A Spectacular Sports Day]

01/07

This year sports day was run much differently than the past few years at Frome Vale. Never-the-less it was still as fun as before.

SPORTS DAY [WHAT IS IT ABOUT]

INTERVIEW

We met up with a Year 6 Pupil. Daniel, he told us that it was very fun, here is more detail.

What did you like about it? "I liked that the parents were allowed to come and help their children with the difficulties of the six challenges we had to do" What could be improved? "I think that the challenges could be a more challenging I think this because my friends and I thought that the challenges could be harder because we found them easy "

[The Making of One School, Many Worlds]

07/07

I had a little catch up with these 2 young pupils from year 5, they have a little speech about the parade

It was just really crowded the food was great I particularly liked the sweet things. The balloon was very exciting, and I didn't really like the drumming role. I would rather hold the D.I.Y birds. I didn't like how people pushed through to get food, water and dessert. I loved how Kerry dressed up as a penguin and went in the cat air balloon

-DENNY

I liked everyone dressed up in their culture and religion. I loved how everyone was very respectful to the foods and drinks because some people can be very judgemental about people seasons and taste buds. I didn't like how the year groups had to be separated because it's a lot of hassle for the parents to keep switching years because their children are in different years

-Michelle

I tried to think of something that would be fun and exciting and shows who we were as individuals. I took inspiration from the Queen's Jubilee Parade, I thought it was a good representation of us. My favourite part was the birds, and the food was amazing particularly a sweet treat that I tried, it had a sesame seed coating and fig inside. I thought that if I had to do it again I'd find a better sound system because it was quite hard to hear it was all in the front.

[Year 6 Hits Camp]

All you need to know from Yr6 CAMP to Transition Day

This term year 6 will be off to camp in LIDDINTON and will enjoy a range of fun activities such as: fencing, vertical challenge, sensory trail, challenge course, problem solving; survivor and many other inspirational youth ideas that will encourage them to be active

STUFF YOU WANT TO KNOW ?

- Visit <https://fromevalecitizens.wordpress.com/blog/> for more information
- Your children will have participated in a range of life experiences that will have helped them develop new skills of which they will use in the upcoming years.
- As well as this they will now be more independent and have time with their friends not only but have time to reflect on their primary school memories before graduation

TRANSITION DAY!

18/07

Transition days are a way for the children to get to know their teacher better by visiting them before the summer holidays to get used you and have some idea of what their future class could be like.
