Value of the term: Fairness & Justice  
Learning behaviour: Collaboration

Term 2 has been a busy term. We started the term with International Week with children finding out more about how multi cultural we are. We shared food and wore our national dress.

The school football team had their first CLF league match, and won 4:1 against Ever Green Academy. The Eco Warriors have been busy finding out about the energy usage in the school, as have the Pupil Council, who have been working on making our roads safer for our families. On a similar theme, year 5 and 6 have started Bikeability to help improve their cycling on the roads.

The whole school took part in a Remembrance service at the front of the school where you will have seen poppies, made by the year 6 children. The class also led the service.

Year 3 and 4 have been busy rehearsing for their Christmas music event, as have EYFS and year 1 & 2. See dates below.

Year 6 took part in an Athletics event at one of our secondary schools, with one pupil jumping the furthest distance in triple jump out of six schools.

EYFS have had another busy term with a Diwali party provided by one of our parents. Parents have also volunteered to help with the Christmas Fair and building a reading shed. Many thanks!

## Democracy question of the term in January

As you are aware, the school has a democracy question of the term where children discuss a question that influences the running of the school.

Many of children are concerned about environmental change and global warming and would therefore like to debate the question:

'Should we ban single use plastic from the school?'

We know this is something you are also concerned about and would therefore like you to join in the debate in January.

If you wish to support us in any way with this, please let us know

More details to follow...
