Year 1 and Reception First Bus Trip

This term Reception and Year 1 took part in their first bus trip to Bristol airport. They shared a coach and headed off to Bristol airport to watch the aeroplanes take off. They had great fun and saw all manner of aeroplanes parked at the launch bay! The younger citizens took this opportunity to investigate how the aeroplanes worked and experienced their first school trip. Of which I'm sure was fun and educational.

MOVIE NIGHT!

On the 31st of January Reception and Year1 had a movie night with snacks and drinks, they watched Paddington! You had to bring £2 for 1 drink and popcorn. The movie was rated PG - of course! The timing was 3:45pm - 5:45pm - 1 hour, the children were happy about the movie choice! All children had a fantastic time and left with smiles on their faces.

Year 1 Local Walk

On the 27th of January, Year 1 went on a history walk with the historian Michael Gorley, who you might have seen before. Year 1's journey started from school to the thatched house on Croomes Hill, to the round-about on Downend Rd round to Britania Woods back to school, just in time for break. The walk took about an hour and a half, and with Michael Gorley as their 'tour guide', the class were able to learn about landmarks and the history of the area. The trip was nothing short of fun and educational for the pupils of Year 1.

Year 3 Bath Trip

On the 6th of January this term, Year 3 went on a trip to Bath, to the Egg (a theater) and watched a play about 5 children who dig magic holes that grant wishes. Their trip began at 8am and they made their way to the city of Bath and came back just in time for lunch at school. The children loved it and some even said they'd like to do it again.
