photography

Our official photographer (Tulip) will be in school on Tuesday 2 July.

This is for class photos for all children and leaver photos for our current Year 6 children.

We require you to give your permission for your child to be photographed. Please be aware that the photos are of the entire class and not individual children.

We will NOT photograph your child without your consent being given. You can give your consent by going to MCAS and it is located in the **trip and clubs section**.

Click [HERE](#) to consent

Lots of information can be found on the official Tulip website from how you order your photos once they have been taken to what happens after you have placed your order.

These are a new photography company to our school, but they have come highly recommended. We hope you love the photo of your child's class and it becomes a long lasting memento of their year at school. Please click the Tulip logo for more information.
