IMPORTANT

Changes to PE

Dear parents

I am writing to inform you of some changes coming into place from next term regarding school PE kit. It is important that all pupils wear clothes that are suitable to be physically active and that not having PE kit does not become a barrier to participation or access to their PE entitlement.

When the change is happening

This change will begin from the start of **term 5**

What we are changing

On their class PE days, pupils will wear their PE kit to school for the full day.
T shirts can now be white or black.

How it will work

On their class PE days, your child should arrive in school dressed in their PE kit and bring their school cardigan or jumper as an additional outer layer as well as a coat if needed for warmth.

Coming in wearing PE kit will remove time needed for changing and maximise the learning time and participation for all.

We are making some small changes to what the expected kit will be from term 5. This will allow families time to source any additional items needed.

What your child needs from term 5

Trainers suitable for sport (ones with grip that do up tightly enough to support the ankle and not fashion ones)

- Plain black tracksuit bottoms, leggings or shorts
A plain black or white t shirt

What happens if your child forgets to wear their kit on PE days

If your child arrives to school on their PE day without their PE kit on, they will be able to borrow a spare, clean set to change into. They can wear this for the day and then return it before home time. This will then be washed in school and returned to the loan store.

We hope that families will welcome this change, as children will not have a PE bag to remember/forget and without the need to change during the day, we are hopeful that fewer items of uniform will go astray.

If you require support from school to source any of the PE kit items in time for term 5, please complete a form using the code below.

Request for support with PE items

Please remember to label your child's school clothes and shoes. This can be done easily with a permanent marker pen on the label.
