The PE & Sports Project uses elite level coaching practice, to provide the children with a fun, engaging, successful and positive experience.

We use our advanced 'exploration-discovery-competition' model to give the children the independence and responsibility to think and to solve problems for themselves whilst supporting and encouraging their development in a wide range of different sports.

On top of the highest-quality instruction for the sport itself, the children learn social-emotional skills and awareness in their self-management, self-awareness, social awareness, relationship skills and responsible decision-making.

Children & Parents' Feedback

100% of parents would recommend our camps to their friends' children

"You know what I like about you, you take it past the the limits, It's so much fun" Ethan yr 6

"Just wanted to say thank you for a great 3 days at Cam Woodfields school. My children both thoroughly enjoyed it and were really enthusiastic about the whole experience."

"We really hope you'll be holding some more sessions in the school holidays. We will definitely be recommending it to friends (already have done!)"
