Please join us in wishing our lovely Year 4 teacher, Miss Jackman a bon voyage as she leaves FVA at the end of Term 6 and the UK shortly afterwards. We are very sad to see her go. We are sure you will join us in wishing her good luck for her future travels and we can't wait to see and hear all about her adventures.

### Miss Jackman—Year 4

I have loved working at Frome Vale for the past year, however, I am heading off to New Zealand to embark on a new adventure! I look forward to taking all of my Frome Vale memories with me. I have shared countless moments of laughter with both the children and my colleagues, and it has been wonderful to see the growth in the children, not only academically but also as individuals. Year 4 - thank you for a fantastic year, never lose your enthusiasm for learning and remember to be kind, be safe and be respectful.

The PE & Sports Project uses elite level coaching practice, to provide the children with a fun, engaging, successful and positive experience.

We use our advanced 'exploration-discovery-competition' model to give the children the independence and responsibility to think and to solve problems for themselves whilst supporting and encouraging their development in a wide range of different sports.

On top of the highest-quality instruction for the sport itself, the children learn social-emotional skills and awareness in their self-management, self-awareness, social awareness, relationship skills and responsible decision-making.

### **Children & Parents' Feedback**

100% of parents would recommend our camps to their friends' children

"Just wanted to say thank you for a great 3 days at Cam Woodfields school. My children both thoroughly enjoyed it and were really enthusiastic about the whole experience."

"We really hope you'll be holding some more sessions in the school holidays. We will definitely be recommending it to friends (already have done!)"
