

Year 3 – INFORMATION FOR TERM 6

If you want to contact us, you can:

- Email or call the school office (this is usually the quickest option)
- Email us directly using **year3@fva.clf.uk** which is checked once a week
- Speak to us face to face at the end of the day once all of the children have been collected.

Please use the following link for home learning tasks and other useful class information:

We are Readers

Please ensure your child brings in their reading book and reading record every day.

You should read with your child at least **twice a week and record the date, title (book or other read material) and your comment**. If your child reads **4 times a week** they will get a house point.

We are Mathematicians

In Maths this term, we will be continuing our unit on 'Time'. We will then complete our 'Geometry' and 'Mass and Capacity' units.

During our Mathsmagician lessons each morning, we will be revisiting our learning from earlier in the year.

Our multiplication learning will be supported by our daily times table practise. Please ensure your child is practising on TTRS using your individual log-in details at least three times a week. If you are unsure how to do this, please contact me or catch me at the end of the day. I am more than happy to help. Practising at home is vital to learning all the multiplication and division facts. By the end of Year 3, your child should be able to instantly recall their 1, 2, 3, 4, 5, 8 and 10 times tables and related division facts.

We are Frome Vale Citizens

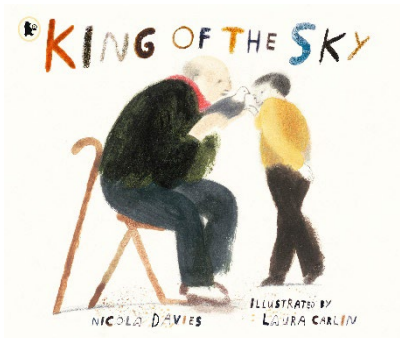

This term's learning behaviour is '**Curiosity**'. Our FVA value of the term is '**Humility**'. Our Jigsaw focus this term is 'Healthy Me'.

We are Geographers

As Geographers, Year 3 are going to be immersing themselves in a contrasting study. The children will learn to compare England and the Mediterranean.

We are Writers

In Term 6, we will be reading 'King of the Sky' by Nicola Davies.

Here is a link to the story being read aloud if you would like to read it at home:

<https://www.youtube.com/watch?v=J8C8Ef8Is4o>

For our fiction outcome this term, we will be writing narratives based on the story. To innovate the text, we will write from the perspective of the pigeon in the story.

For our non-fiction outcome later in the term, we will be writing instructions.

We are Athletes

PE will now be taught on Monday (indoor) and Friday (outdoor). Please ensure that children are wearing the correct kit on these days.

We are Scientists

As Scientists this term, we will be learning all about insects. During the unit, we will learn about the ways in which insects are helpful/harmful and the characteristics of different insects. We will be carrying out a classifying enquiry to develop our Scientist skills.
