Reading

We continue to encourage you to read with your child every day, and to write a comment in

their reading records. It is important to encourage independence when reading.

When reading with your child at home, please practise fluency with you child. This is where they re-read the sentence without having to segment to read.

Maths

This term we will be recapping all that has been learnt over the year, harnessing your child's fantastic mathematical understanding.

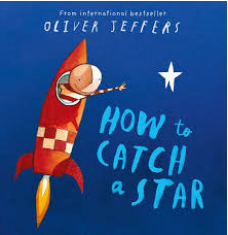

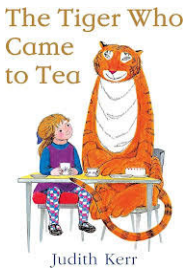

Phonics

In Reception, we follow the scheme Unlocking Letters and Sounds. It aims to build children's speaking and listening skills, as well as preparing children for learning to read by developing this phonic knowledge and skills.

Phonics is taught every day. Alongside Phonics, the children have many opportunities to test their new skills in reading and writing.

This term the children will continue with guided reading groups with Miss Green. Please ensure your child brings their bookbag, reading record and reading books in everyday.
