Value of the term: kindness
Learning behaviour: focus

Term 4 started with a visit from three Shakespearian witches from Macbeth in the year 6 classroom. They also became journalists reporting on two crime scenes. The class have thoroughly enjoyed this text and have produced some fabulous writing, which is available to see in the main hall.

We began our Partnership with Old Sodbury Primary School for the Bristol Together Championships. The aim of this competition is to bring communities together from diverse backgrounds.

The football team also played their 3rd football match of the year and drew 1:1 with Ever Green Primary.

Tonight the school will appear on the Eat Well for Less program at 8pm on BBC 1. This is a small piece based on our work with Fare Share.

Tomorrow we will have our 'Bounceathon' to raise funds for the school. Please support your child in getting sponsors. It will also be non uniform day.

Have a pleasant week off.

Dates for term 6.
