Value of the term: Respect

Learning behaviour: Motivation & Aspiration

We've had an amazing start to the new academic year and thank you for all your support. We have been thrilled to see our classes full of children, who look happy and ready to learn. The sound of laughter and chatter at lunch time is an absolute pleasure. The school has certainly come back to life.

We are Writers

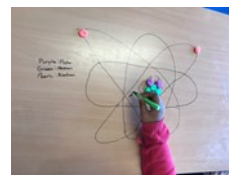

Year 4 have been writing their brilliant descriptions of the Hall of Gods from Arthur and the Golden Rope!

We are a Team

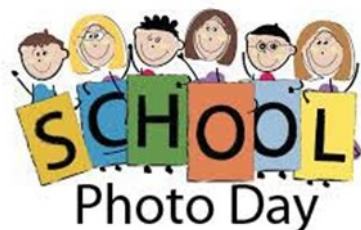

Year 1 discussed what makes a successful team. Kind, positive and hard working!

We are Scientists

Year 6 have been creating Atomic Structure Models from plasticine in the sunshine!

The school photographer is with us on the 16 October 2020. Please remember to complete the online permissions to enable your child to have their photo taken. Scan the QR code or

It is essential that we have your correct email address and mobile telephone number in order to support you.

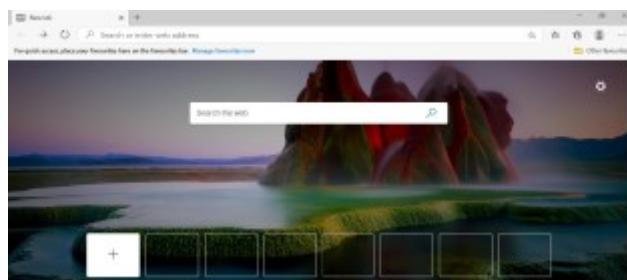

If you think we may have incorrect contact details, please email school@fva.cabot.ac.uk to provide us with your correct information

Home Learning Made Easy

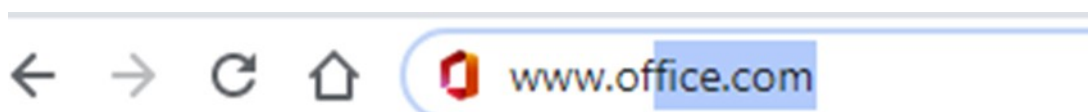

During this new normal we recognise that children may need to stay at home. To minimise any disruption to their learning we have activated remote learning. Your child will now have an email address and password.

Accessing Office 365

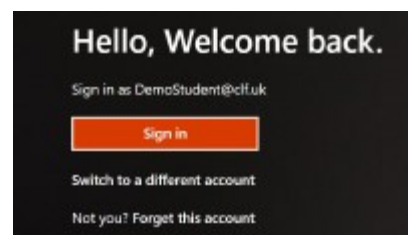

Open a web browser, we recommend Google Chrome but you can use others including Safari or Microsoft Edge. Your new tab or home page should appear, similar to the screenshot below:

In the address bar at the top, type in www.office.com as per the screenshot below:

The Office 365 front page should display, click on the orange sign in button. If someone else is signed in the options may change, see image to right. You will need to choose "Switch to a different account" if the address shown isn't correct.

The next page will take you to the sign in box, type in your email address here and then click the blue "Next" button.

Click on Teams for Live Lessons and **Parents Evening**

Children emails **MUST ONLY** be used to access TEAMS for live lessons, parents evenings and for submitting home learning to the teacher. Please **DO NOT** use your child's email address for any other communication.

Parents Evening is being held virtually on the 11/11/20 and will be via TEAMS, online. More information on how this will work and what you need to do will follow in the near future.

Good to know

- 1) Students in primary academies can not receive emails from outside of the CLF, with the exception of genuine Microsoft emails in relation to the service.
- 2) Students are prevented from sending emails to addresses outside of the CLF, this means that they can stay in touch via remote learning, seek support and submit work where required.
- 3) Address book settings have been set to only show people at the student's individual academy so that emails won't accidentally be sent between sites from students.
